### Axios

A motivated and growth-driven Full Stack Developer with 1 year of experience, specializing in frontend development. Proficient in building responsive, user-friendly web applications using HTML, CSS, JavaScript, and modern frameworks like React. Comfortable working with backend technologies such as Node.js and Express, and integrating RESTful APIs to create complete web solutions. Passionate about clean code, performance optimization, and delivering smooth user experiences. Eager to expand full stack capabilities while contributing to dynamic development teams.
